
What does it mean?

Today is the Fourth Sunday of Lent. Lent is the 40 day season preparing our hearts for Good Friday and Easter.

In our gospel lesson today from John 9, Jesus heals a man born blind. The officials were angry because they didn't understand who Jesus was. The healed man just told the story of how he was healed. We can tell others what Jesus has done for us in our own simple words, too.

The Fourth Sunday Of Lent

Hear God's Word

The _____ is my _____; therefore
I can _____.

(Psalm 23:1)

During the season of Lent many Christians set
aside time to remember all God has done for
them. Then they can share their stories with
their children and others. When was a time God
gave you special help or a blessing?
