# What does it mean?

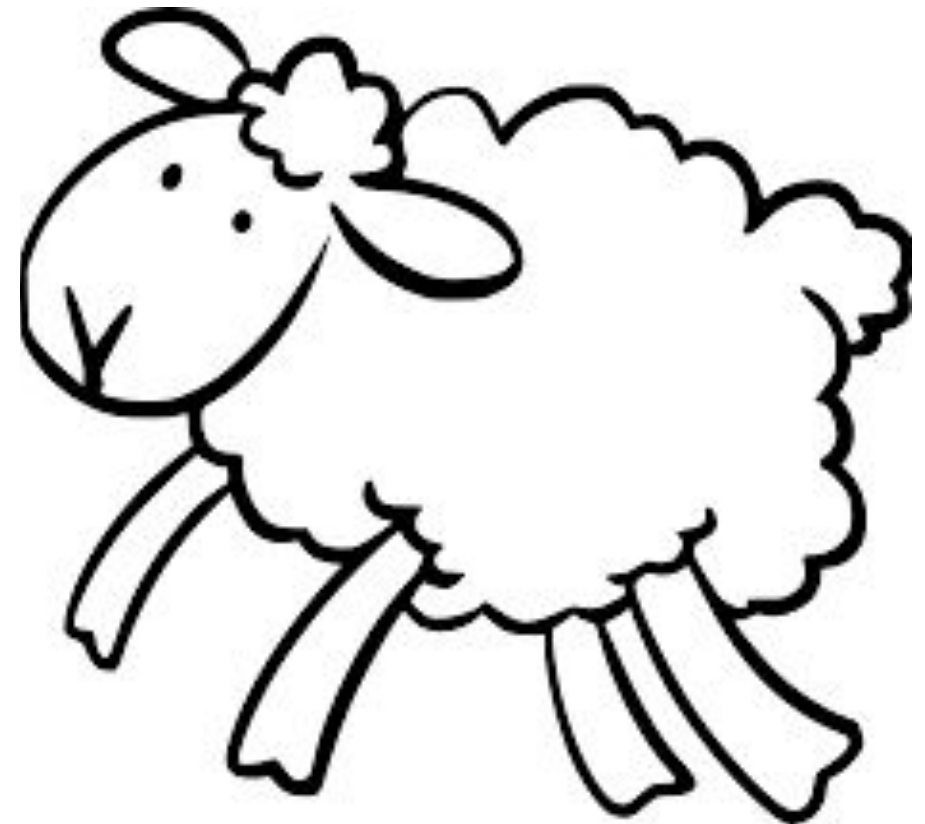

Today is the Ninth Sunday after Pentecost. In our gospel lesson today from the account of St. Luke, Jesus speaks to his followers as a little flock. But then he shares with them the importance of being ready for his return. One day Jesus will come again to claim all those that are his.

**Jesus tells us he will return suddenly. How might you live differently today, knowing Jesus could come for us even today? Write names of people you can pray for on the lamb on the front cover.**

Our Epistle lesson for today is Hebrews 11,  
sometimes called the "Faith Hall Of Fame".  
Read the chapter. How many different people  
are listed? Look back in the Old Testament and  
read their stories.
